Terms and conditions.

- At the top is a box which contains your school's waiver and/or registration policies and procedures. You must read and scroll down to the bottom of this box and then hit the "Accept" button. Then you must also check the box that says "By checking this box I indicate I have read, understand, acknowledge and accept the above Waiver/Agreement"
- Next you can enter your team's name and logo (make sure if you upload a photo that you click the box saying you have the rights to publish the photo)
- Auto accept members: this function will allow people to sign-up on your team without your direct approval (it is a personal preference)
- Team status: this can be set as "not looking" or "looking" for players based on whether or not you want free agents to see that you might be willing to pick them up.
- Related Group: this allows you to identify whether or not your team should be identified with a specific group that has been set up (i.e. fraternities, sororities, clubs, etc.) - not all school's use this function

To complete your sign-up don't forget to hit the Create Team button at the bottom of the page!
ii. Captains can invite members to their team by clicking the "Invite Members" link on the team page:
