

University of Evansville Conferences

Residence Halls

Below is a description of all residence hall facilities that may be available for summer conference housing. Availability is determined based on the following:

- Assignment of conference housing locations will be determined based on the needs of the group and the suitability of other conference groups potentially sharing a facility.
- Summer housing for our students may be designated in Powell, Schroeder, or Hale.
The residence hall designated for UE summer students will not be available for conference housing.

All Conference Housing Facilities come with air conditioning, carpeting, and a sprinkler fire suppression system. Amenities include Ethernet, Wi-Fi, and basic cable. Laundry facilities are provided at no extra charge.

The University of Evansville campus is tobacco, vape, and smoke free.
